Congratulations on the grant of a pursue award to the above invention entitled "Method to Selectively Deliver a Message Based on a Reference Point." I will be preparing the patent application for this invention and look forward to working with each of you to produce a patent valuable to your business and to Motorola's patent portfolio.

To begin the application preparation process, I would like to meet with either all of you or one representative to discuss the details of your invention. Please let me know your availability within the next week.
